Director of Crickets Report to AGM – December 2023

On behalf of the whole club, I would like to say a huge thank you to the captains for their contribution over the whole year.

Adam, Jack, Tom, Vince supported by Mark, Richard, Neil and increasing number of senior players have done a brilliant job. The work, commitment and thinking that goes on from these lads are central to the club being what it is, well done fellas and thank you!

The key area of the club, the progression of juniors through the sides, has been very prominent, again thanks to captains, Barrie and the junior coaches for their work with this .

On behalf of all the players, a big thank you to all the ground teams and support areas, every body's effort, support and commitment to the club helps make it what it is.

- The first team finished 7th (3 wins from 3rd place)
- The second team finished 9th
- The third team were relegated.
- The fourth team finished 8th

A standout performance from Jack and the second team in a very competitive league and key to enabling the clubs' progressions plans - well done fellas

The individual awards were very well recognised at Presentation evening but in addition to the above I would highlight:

- The first teams winning of the 2023 YPLN Sportsmanship award
- Alex Liley winning the YPLN wicket keeping award
- Mark Fisher 598 runs and 21 wickets, Jack Hugill 420 runs, both setting examples on and off the field.
- Standout seasons for Dave Hull 38 YPLN wickets and Daniel Cass 36 championship wickets

Finally, as I stand down from this role after 6 years, I wish Jack and Adam (and the senior players who step up in supporting them) all the very best for 2024 (and beyond)

Mike Willink
